***Remember that insurance is considered a method of reimbursing the patient for fees to the doctor and is not a substitute for payment. Some companies pay a fixed allowance for certain procedures. The above information is for the purpose of obtaining credit and is warranted to be true. You have the right to request a copy of your records. You may also request an amendment of those records in writing.

I authorize Westside Medical and/or its agents and assigns to make credit investigations, including employment verification. I authorize treatment of the person named above and agree to all charges for such treatment. I agree to pay all charges for myself and members of my family shown by statement, promptly upon presentation thereof, unless credit arrangements are agreed upon in writing as is more fully set forth below. It is the policy of Westside Medical to only release health and person information as is needed for payment of claim or as necessary for direct patient care to other providers or health care entities. I directly assign all medical/surgical benefits to Westside Medical and understand that I am financially responsible for all charges whether or not paid by insurance. I hereby authorize the provider to release all information necessary to secure the payment of benefits. I further agree that a photocopy of this agreement shall be as valid as the original. I agree that if this account goes into default and legal action is taken, I will be responsible for all legal and court costs incurred. I understand that payment for the service provided to me is due and owing at the time service is rendered. Unless other specific arrangements are made. Which arrangements should be set forth in writing and be attached to this information sheet. I agree that if the account goes into default and payment is not made, I shall be responsible to pay any and all attorney fees, court costs, and/or other charges, together with an additional 25% collection fee and interest rate of one and one half (1.5%) per annual on any unpaid balance.

ARBITRATION AGREEMENT

Article 1 Dispute Resolution

By signing this Agreement ("Agreement") we are agreeing to resolve any Claim for medical malpractice by the dispute resolution process described in this Agreement. Under this Agreement, you can pursue your Claim and seek damages, but you are waiving your right to have it decided by a judge or jury.

Article 2 Definitions

- A. The term "we," "parties" or "us" means you, (the Patient), and the Provider.
- B. The term "Claim" means one or more Malpractice Actions defined in the Utah Health Care Malpractice Act (Utah Code 78-14-3(15)). Each party may use any legal process to resolve non-medical malpractice claims.
- C. The term "Provider" means the physician, group or clinic and their employees, partners, associates, agents, successors and estates.
- D. The term "Patient" or "you" means:
 - (1) you and any person who makes a Claim for care given to YOU, such as your heirs, your spouse, children, parents or legal representatives, AND
 - (2) your unborn child or newborn child for care provided during the 12 months immediately following the date you sign this Agreement, or any person who makes a Claim for care given to that unborn or newborn child.

Article 3 Dispute Resolution Options

- A. Methods Available for Dispute Resolution. We agree to resolve any Claim by:
 - (1) working directly with each other to try and find a solution that resolves the Claim, OR
 - (2) using non-binding mediation (each of us will bear one-half of the costs); OR
 - (3) using binding arbitration as described in this Agreement.You may choose to use any or all of these methods to resolve your Claim.
- B. Legal Counsel. Each of us may choose to be represented by legal counsel during any stage of the dispute resolution process, but each of us will pay the fees and costs of our own attorney.
- C. Arbitration – Final Resolution. If working with the Provider or using non-binding mediation does not resolve your Claim, we agree that your Claim will be resolved through binding arbitration. We both agree that the decision reached in binding arbitration will be final.

Article 4 How to Arbitrate a Claim

- A. Notice. To make a Claim under this Agreement, mail a written notice to the Provider by certified mail that briefly describes the nature of your Claim (the "Notice"). If the Notice is sent to the Provider by certified mail it will suspend (toll) the applicable statute of limitations during the dispute resolution process described in this Agreement.
- B. Arbitrators. Within 30 days of receiving the Notice, the Provider will contact you. If you and the Provider cannot resolve the Claim by working together or through mediation, we will start the process of choosing arbitrators. There will be three arbitrators, unless we agree that a single arbitrator may resolve the Claim.
 - (1) Appointed Arbitrators. You will appoint an arbitrator of your choosing and all Providers will jointly appoint an arbitrator of their choosing.
 - (2) Jointly-Selected Arbitrator. You and the Provider(s) will then jointly appoint an arbitrator (the "Jointly-Selected Arbitrator"). If you and the Provider(s) cannot agree upon a Jointly-Selected Arbitrator, the arbitrators appointed by each of the parties will choose the Jointly-Selected Arbitrator from a list of individuals approved as arbitrators by the state or federal courts of Utah. If the arbitrators cannot agree on a Jointly-Selected Arbitrator, either or both of us may request that a Utah court select an individual from the lists described above. Each party will pay their own fees and costs in such an action. The Jointly-Selected Arbitrator will preside over the arbitration hearing and have all other powers of an arbitrator as set forth in the Utah Uniform Arbitration Act.
- C. Arbitration Expenses. You will pay the fees and costs of the arbitrator you appoint and the Provider(s) will pay the fees and costs of the arbitrator the Provider(s) appoints. Each of us will also pay one-half of the fees and expenses of the Jointly-Selected Arbitrator and any other expenses of the arbitration panel.
- D. Final and Binding Decision. A majority of the three arbitrators will make a final decision on the Claim. The decision shall be consistent with the Utah Uniform Arbitration Act.

- E. All Claims May be Joined. Any person or entity that could be appropriately named in a court proceeding ("Joined Party") is entitled to participate in this arbitration as long as that person or entity agrees to be bound by the arbitration decision ("Joinder"). Joinder may also include Claims against persons or entities that provided care prior to the signing date of this Agreement. A "Joined Party" does not participate in the selection of the arbitrators but is considered a "Provider" for all other purposes of this Agreement.

Article 5 Liability and Damages May Be Arbitrated Separately

At the request of either party, the issues of liability and damages will be arbitrated separately. If the arbitration panel finds liability, the parties may agree to either continue to arbitrate damages with the initial panel or either party may cause that a second panel be selected for considering damages. However, if a second panel is selected, the Jointly Selected arbitrator will remain the same and will continue to preside over the arbitration unless the parties agree otherwise.

Article 6 Venue / Governing Law

The arbitration hearings will be held in a place agreed to by the parties. If the parties cannot agree, the hearings will be held in Salt Lake City, Utah. Arbitration proceedings are private and shall be kept confidential. The provisions of the Utah Uniform Arbitration Act and the Federal Arbitration Act govern this Agreement. We hereby waive the prelitigation panel review requirements. The arbitrators will apportion fault to all persons or entities that contributed to the injury claimed by the Patient, whether or not those persons or entities are parties to the arbitration.

Article 7 Term / Rescission / Termination

- A. Term. This Agreement is binding on both of us for one year from the date you sign it unless you rescind it. If it is not rescinded, it will automatically renew every year unless either party notifies the other in writing of a decision to terminate it
- B. Rescission. You may rescind this Agreement within 10 days of signing it by sending written notice by registered or certified mail to the Provider. The effective date of the rescission notice will be the date the rescission is postmarked. If not rescinded, this Agreement will govern all medical services received by the Patient from Provider after the date of signing, except in the case of a Joined Party that provided care prior to the signing of this agreement (see Article 4(E)).
- C. Termination. If the Agreement has not been rescinded, either party may still terminate it at any time, but termination will not take effect until the next anniversary of the signing of the Agreement. To terminate this Agreement, send written notice by registered or certified mail to the Provider. This Agreement applies to any Claim that arises while it is in effect, even if you file a Claim or request arbitration after the Agreement has been terminated.

Article 8 Severability

If any part of this Agreement is held to be invalid or unenforceable, the remaining provisions will remain in full force and will not be affected by the invalidity of any other provision.

Article 9 Acknowledgement of Written Explanation of Arbitration

I have received a written explanation of the terms of this Agreement. I have had the right to ask questions and have my questions answered. I understand that any Claim I might have must be resolved through the dispute resolution process in this Agreement instead of having them heard by a judge or jury. I understand the role of the arbitrators and the manner in which they are selected. I understand the responsibility for arbitration related costs. I understand that this Agreement renews each year unless cancelled before the renewal date. I understand that I can decline to enter into the Agreement and still receive health care. I understand that I can rescind this Agreement within 10 days of signing it.

Article 10 Receipt of Copy I have received a copy of this document.

WRITTEN EXPLANATION OF BINDING ARBITRATION

A binding arbitration agreement requires a patient to submit all future medical malpractice claims to arbitration instead of having the claim heard in court by a judge or jury.

An arbitrator is a person chosen to resolve disputes after hearing the information presented by both sides. You select an arbitrator, your doctor selects one, and you and the doctor agree on a third arbitrator. In the event we cannot agree, the third arbitrator will be selected by the other two arbitrators from a court-issued list of arbitrators.

You pay for the fees and expenses of your arbitrator, the doctor pays for his or her arbitrator, and the fees and expenses of the third arbitrator are shared equally.

You have the right, at your expense, to be represented in arbitration by an attorney.

By choosing arbitration, you may also have the right to require mediation. Mediation occurs before arbitration. Mediation is a process by which a neutral person tries to help the parties reach a mutually agreeable resolution of their dispute. The cost of mediation is shared equally.

You have the right to decline to enter into the agreement and still receive health care.

You have the right to rescind the agreement within ten (10) days of signing the agreement.

The arbitration agreement is renewed each year unless it has been canceled in writing before the renewal date.

You have the right to have all of your questions about arbitration answered.

Your personal health information that is protected by law broadly includes any information, oral, written or recorded, that is created or received by certain health care entities, including health care providers, such as physicians and hospitals, as well as, health insurance companies or plans. Uses or Disclosures of Your Personal Health Information

Generally, we may not use or disclose your personal health information without your permission. Further, once your permission has been obtained, we must use or disclose your personal health information in accordance with the specific terms that permission. The following are the circumstances under which we are permitted by law to use or disclose your personal health information.

Without Your Consent

Without your consent, we may use or disclose your personal health information in order to provide you with services and the treatment you require or request, or to collect payment for those services, and to conduct other related health care operations otherwise permitted or required by law. Also, we are permitted to disclose your personal health information within and among our workforce in order to accomplish these same purposes. However, even with your permission, we are still required to limit such uses or disclosures to the minimal amount of personal health information that is reasonably required to provide those services or complete those activities.

As Required By Law

We may use or disclose your personal health information to the extent that such use or disclosure is required by law and the use or disclosure complies with and is limited to the relevant requirements of such law. *Examples of instances in which we are required to disclose your personal health information include:* (a) public health activities including, preventing or controlling disease or other injury, public health surveillance or investigations, reporting adverse events with respect to food or dietary supplements or product defects or problems to the Food and Drug Administration, medical surveillance of the workplace or to evaluate whether the individual has a work-related illness or injury in order to comply with Federal or state law; (b) disclosures regarding victims of abuse, neglect, or domestic violence including, reporting to social service or protective services agencies; (c) health oversight activities including, audits, civil, administrative, or criminal investigations, inspections, licensure or disciplinary actions, or civil, administrative, or criminal proceedings or actions, or other activities necessary for appropriate oversight of government benefit programs; (d) judicial and administrative proceedings in response to an order of a court or administrative tribunal, a warrant, subpoena, discovery request, or other lawful process; (e) law enforcement purposes for the purpose of identifying or locating a suspect, fugitive, material witness, or missing person, or reporting crimes in emergencies, or reporting a death; (f) disclosures about decedents for purposes of cadaveric donation of organs, eyes or tissue; (g) for research purposes under certain conditions; (h) to avert a serious threat to health or safety; (i) military and veterans activities; (j) national security and intelligence activities, protective services of the President and others; (k) medical suitability determinations by entities that are components of the Department of State; (l) correctional institutions and other law enforcement custodial situations; (m) covered entities that are government programs providing public benefits, and for workers' compensation.

All Other Situations, With Your Specific Authorization

Except as otherwise permitted or required, as described above, we may not use or disclose your personal health information without your written authorization. Further, we are required to use or disclose your personal health information consistent with the terms of your authorization. You may revoke your authorization to use or disclose any personal health information at any time, except to the extent that we have taken action in reliance on such authorization, or, if you provided the authorization as a condition of obtaining insurance coverage, other law provides the insurer with the right to contest a claim under the policy.

We may contact you to raise funds for Covered Entity. If we are a group health plan or health insurance issuer or HMO with respect to a group health plan, we may disclose your personal health information to be sponsor of the plan.

Your Rights With Respect to Your Personal Health Information

Under HIPAA, you have certain rights with respect to your personal health information. The following is a brief overview of your rights and our duties with respect to enforcing those rights.

Right To Request Restrictions On Use Or Disclosure

You have the right to request restrictions on certain uses and disclosures of your personal health information about yourself. *You may request restrictions on the following uses or disclosures:* to carry out treatment, payment, or

healthcare operations; (b) disclosures to family members, relatives, or close personal friends of personal health information directly relevant to your care or payment related to your health care, or your location, general condition, or death; (c) instances in which you are not present or your permission cannot practicably be obtained due to your incapacity or an emergency circumstance; (d) permitting other persons to act on your behalf to pick up filled prescriptions, medical supplies, X-rays, or other similar forms of personal health information; or (e) disclosure to a public or private entity authorized by law or by its charter to assist in disaster relief efforts.

While we are not required to agree to any requested restriction, if we agree to a restriction, we are bound not to use or disclose your personal healthcare information in violation of such restriction, except in certain emergency situations. We will not accept a request to restrict uses or disclosures that are otherwise required by law.

Right To Receive Confidential Communications

You have the right to receive confidential communications of your personal health information. We may require written requests. We may condition the provision of confidential communications on you providing us with information as to how payment will be handled and specification of an alternative address or other method of contact. We may require that a request contain a statement that disclosure of all or a part of the information to which the request pertains could endanger you. We may not require you to provide an explanation of the basis for your request as a condition of providing communications to you on a confidential basis. We must permit you to request and must accommodate reasonable requests by you to receive communications of personal health information from us by alternative means or at alternative locations. If we are a health care plan, we must permit you to request and must accommodate reasonable requests by you to receive communications of personal health information from us by alternative means or at alternative locations if you clearly state that the disclosure of all or part of that information could endanger you.

Right To Inspect And Copy Your Personal Health Information

Your designated record set is a group of records we maintain that includes Medical records and billing records about you, or enrollment, payment, claims adjudication, and case or medical management records systems, as applicable. You have the right of access in order to inspect and obtain a copy your personal health information contained in your designated record set, *except for* (a) psychotherapy notes, (b) information compiled in reasonable anticipation of, or for use in, a civil, criminal, or administrative action or proceeding, and (c) health information maintained by us to the extent to which the provision of access to you would be prohibited by law. We may require written requests. We must provide you with access to your personal health information in the form or format requested by you, if it is readily producible in such form or format, or, if not, in a readable hard copy form or such other form or format. We may provide you with a summary of the personal health information requested, in lieu of providing access to the personal health information or may provide an explanation of the personal health information to which access has been provided, if you agree in advance to such a summary or explanation and agree to the fees imposed for such summary or explanation. We will provide you with access as requested in a timely manner, including arranging with you a convenient time and place to inspect or obtain copies of your personal health information or mailing a copy to you at your request. We will discuss the scope, format, and other aspects of your request for access as necessary to facilitate timely access. If you request a copy of your personal health information or agree to a summary or explanation of such information, we may charge a reasonable cost-based fee for copying, postage, if you request a mailing, and the costs of preparing an explanation or summary as agreed upon in advance. We reserve the right to deny you access to and copies of certain personal health information as permitted or required by law. We will reasonably attempt to accommodate any request for personal health information by, to the extent possible, giving you access to other personal health information after excluding the information as to which we have a ground to deny access. Upon denial of a request for access or request for information, we will provide you with a written denial specifying the legal basis for denial, a statement of your rights, and a description of how you may file a complaint with us. If we do not maintain the information that is the subject of your request for access but we know where the requested information is maintained, we will inform you of where to direct your request for access.

Right To Amend Your Personal Health Information

You have the right to request that we amend your personal health information or a record about you contained in your designated record set, for as long as the designated record set is maintained by us. We have the right to deny your request for amendment, if: (a) we determine that the information or record that is the subject of the request was not created by us, unless you provide a reasonable basis to believe that the originator of the information is no longer available to act on the requested amendment, (b) the information is not part of your designated record set maintained by us, (c) the information is prohibited from inspection by law, or (d) the information is accurate and complete. We may require that you submit written requests and provide a reason to support the requested amendment. If we deny your request, we will provide you with a written denial stating the basis of the denial, your right to submit a written statement disagreeing with the denial, and a description of how you may file a complaint with us or the Secretary of the U.S. Department of Health and Human Services ("DHHS"). This denial will also include a notice that if you do not submit a statement of disagreement, you may request that we include your request for amendment and the denial with any future disclosures of your personal health information that is the subject of the requested amendment. Copies of all requests, denials, and statements of disagreement will be included in your designated record set. If we accept your request for amendment, we will make reasonable efforts to inform and provide the amendment within a reasonable time to persons identified by you as having received personal health information of yours prior to amendment and persons that we know have the personal health information that is the subject of the amendment and that may have relied, or could foreseeably rely, on such information to your detriment. Such disclosures will include the date of each disclosure, the name and, if known, the address of the entity or person who received the information, a brief description of the information disclosed, and a brief statement of the purpose and basis of the disclosure or, in lieu of such statement, a copy of your written authorization or written request for disclosure pertaining to such information. *We are not required to provide accountings of disclosures for the following purposes:* (a) treatment, payment, and healthcare operations, (b) disclosures pursuant to your authorization, (c) disclosures to you, (d) for a facility directory or to persons involved in your care, (e) for national security or intelligence purposes, (f) to correctional institutions, and (g) with respect to disclosures occurring prior to 4/14/03.
